To all staff and parents:

**Re: 2019-2020 YK1 School Calendars Feedback**

Thank you for all your comments regarding the 2019/2020 school year calendar. Following a review of these comments and consultation with our administrative team on January 22, 2019, we have made the following change:

**\*Moving the STIP Day originally scheduled for December 20, 2019 to January 6, 2020\***

As a district, we are bound to 176 student days and 192 staff days for junior kindergarten to Grade 8 programming and 182 student days and 192 staff days for high school programming (Grades 9 to 12). École Sir John Franklin High School will also continue to have early dismissals on Thursdays.

There were also a few comments about school days on June 23 and June 24, 2020. Following a discussion with our administration team, the strong recommendation is to keep these as student days. Placing professional development (PD) days at the end of the school year isn't as beneficial as PD during the year when teachers can immediately apply their learning in the classroom.
