

Policy 8

COMMITTEES OF THE BOARD

The Board establishes committees to assist in the governance of the District, and achieving the Board's goals. The role and responsibilities of committees are to:

1. Investigate matters referred to them by the Board;
2. Act in an advisory capacity to the Board; and
3. Prepare recommendations for Board consideration.

All committees that are under the control of the Board serve at the pleasure of the Board, and may be disbanded at any time by a decision of the Board. All meetings of the committees of the Board are open to the public, unless the committee is required to convene in camera.

There will be three types of committees:

1. Standing Committees are ongoing committees that the Board has identified as being necessary to assist in the proper governance of the District. The functions of a Standing Committee are to:
 - 1.1. research,
 - 1.2. inquire into,
 - 1.3. conduct comprehensive discussion of,
 - 1.4. advise, and
 - 1.5. prepare recommendations to the Board,

on items identified within its mandate and any matters referred to it by the Board. A Standing Committee has no powers other than those granted to it by the Board. All Standing Committees report to the Board.

(Note the Committee of the Whole is a special type of Standing Committee, and is not governed by this policy. The Committee of the Whole terms of reference are defined in Policy 5.)

2. Ad Hoc Committees are committees established by the Board to complete a specific task. After the task has been completed and the committee submitted a completion report to the Board, the Ad Hoc Committee shall be disbanded. An Ad Hoc Committee has no powers other than those granted to it by the Board. All Ad Hoc Committees report to the Board.
3. External Committees are committees:
 - 3.1 not under the authority of the board,

- 3.2 where the board has an interest or obligation, or is requested to contribute,
- 3.3 where at least one YK1 trustee participates as a member of the committee

External Committees may be initially formed by the Board or by external organizations

The purpose, governance, authority and reporting structure of External Committees is generally determined by the originating organizations, or by mutual agreement of the participating organizations

A Board representative(s) on an External Committee would keep the Board informed of the activities of their respective Committee

Each Standing and Ad Hoc Committee shall:

1. Consist of Board representation as appointed by the Chairperson;
