

AGENDA
Public Meeting
Conducted by YK1 Education District

Planning Future Programs and Facility Use

7 p.m. to 9 p.m. – April 16
École William McDonald Middle School

1. Opening Remarks – Ms. H. Clarke, Chair YK1, Facilities Committee
2. Background information and District overview
3. Discussion of key questions:
 - a. How can the District best provide programs and services based upon the needs of our students?
 - b. Should the District consider changing the grade configuration in its schools?
 - c. Could the District transfer a school facility to the GNWT and still meet its goals?
 - d. Are there ways to improve the effectiveness and efficiency of the District's operations without harming the programs and services offered to students?
4. Summary of comments from participants
5. Closing remarks
