

**YK 1 EDUCATION DISTRICT
FACILITIES COMMITTEE
PUBLIC QUESTIONNAIRE**

Future District Programming and Facilities Use

INTRODUCTION

The Board of Trustees of YK Education District 1 has established a Facilities Committee to examine the long-term directions for District school programming and facility use. The Board is conducting a series of public meetings to discuss future options and is making this survey available for those who wish to provide comments.

Please answer the following questions. Feel free to add any additional comments at the end of the questionnaire.

QUESTIONS

1. In your opinion, what aspects of the educational experience offered by YK 1 are the most important to overall student success?

Please select 3 and rank them starting with 1 being the most important followed by 2 and 3.

- Academic core subjects
- Programs such as art, music, sports, languages, etc.
- High quality teaching staff
- Class size
- Social development opportunities for students
- Counseling
- Special needs programming
- High quality facilities
- Other (specify) _____
- Other (specify) _____

2. Currently the District offers choices in grade configurations in its schools. It offers Pre-kindergarten (Pre-K) to grade 8 studies in two schools, Pre-K to grade 5 studies in two schools, and grades 6 to 8 are offered in a middle school.

1. Is it important that these choices be maintained? If so, why?

2. Please indicate the primary reason(s) for your choice of a school for your child:

- School size
- Proximity to your home
- The range of grades offered at the school
- Social experience the school offers for your child
- Other (specify) _____
- Other (specify) _____

3. Which of the following programs are important to your child's K - 8 education? Please select 3 and rank them starting with 1 being the most important followed by 2 and 3.

- Arts
- Music
- Sports
- Aboriginal languages and culture
- French Immersion
- Intensive & Post-Intensive French
- Montessori K-5
- Industrial Arts
- Sports
- Home economics
- Technology
- Other (specify) _____

3. Changing of the grades offered at some schools

6. What changes could the District make to improve schooling for students?

7. Are there any other comments that you would like to make?
