

**February 6, 2018**

**Yellowknife Education District No. 1**

**Yellowknife, Northwest Territories** – Yellowknife Education District No. 1 is inviting the general public to a town hall meeting on Thursday, February 15.

The purpose of the meeting is to discuss site options for the new École J.H. Sissons and the probability of current students being accommodated by other YK1 schools. YK1 is engaged with the Departments of Education, Culture and Employment, Infrastructure and the Taylor Architecture Group about building a new school in the coming years. This is an exciting time for the school district and with any project of this magnitude, it will present some new opportunities.

YK1 would like to hear from as many parents and stakeholders as possible throughout this project. Quality programming and education is a priority of ours, and the needs of our students will come first as we embark on this exciting project.

The town hall meeting will be held **in the gymnasium at École J.H. Sissons on Thursday, February 15 starting at 7:00 p.m.** Refreshments and childcare will be provided. There will also be consultations on design in March.
