Re: Jodi-Lee Lewis appointed principal of middle school for 2019-2020 school year

Yellowknife Education District No.1 (YK1) is pleased to announce the appointment of Jodi Lee-Lewis as principal of École William McDonald Middle School effective August 26, 2019. Jodi will be taking over for the school's current principal, Jeff Seabrook, who is taking a year's leave.

Jodi obtained a Bachelor of Arts and Bachelor of Education from Memorial University, and began her teaching career in Newfoundland and Labrador. Throughout the past decade at YK1, she has worked with staff and students in primary, elementary and middle school settings, building her passion in the field of education. She brings to the position a broad range of experiences - including positions of classroom teacher, Intensive/Post-Intensive French Coach, Pre-Kindergarten Coordinator, Program Support Teacher, and Principal.

Jodi believes in an inclusive, balanced education that focuses on the whole child. She views education as a set of experiences, for both staff and students. Along with the strong team at École William McDonald Middle School, she will continue to support current middle school philosophies and initiatives, while encouraging new growth for students and staff. Jodi is excited to start the new school year as Principal and looks forward to working with the entire William McDonald community.
