Re: Heather Jelinski named assistant principal of middle school starting in 2019-2020

Yellowknife Education District No. 1 (YK1) is pleased to announce the appointment of Heather Jelinski as assistant principal of École William McDonald Middle School effective August 26, 2019. Heather will be taking over for the school's current assistant principal, Monique Marinier, who is retiring at the end of the 2018-2019 school year.

Heather obtained her B.A/B.Ed in French Education through the University of Regina and the University of Laval in Quebec City, and is currently completing her Masters of Education through UBC-Okanagan. She began her career in Saskatoon teaching French Immersion in Grades 3, 4 and 7. Over the past five years with YK1, Heather has taught Intensive French and Post-Intensive French at Range Lake North School, and served as the district's Intensive/Post-Intensive French Coach during the 2017-2018 school year. Now a Program Support Teacher at N.J. Macpherson School, Heather also enjoys working with students on the Student Leadership Council and coaching volleyball, basketball and track and field. Outside of work, she enjoys playing volleyball, hiking, and traveling.

Heather looks forward to working with the strong team at École William McDonald Middle School and supporting current middle school philosophies and initiatives. She is excited to start the new school year as assistant principal and teacher at the school and looks forward to working with the entire École William McDonald Middle School community.
