Re: Shirley Zouboules transitioning to role at district office for 2019-2020 school year

Shirley Zouboules, the current principal at N.J. Macpherson School, will transition into a new role for the start of the 2019-2020 school year. Shirley has accepted the position of curriculum coordinator (English programs) based out of the district office effective August 2019. She will continue her regular duties as principal until the end of the 2018-2019 school year before officially taking on her new position on August 26, 2019.

Born and raised in the Northwest Territories, Shirley has worked as a classroom teacher, program support teacher, literacy coach, assistant principal and principal since joining Yellowknife Education District No. 1 (YK1) in 1989. She has been the top administrator at N.J. Macpherson School since 2012. With over 30 years of teaching experience, Shirley's professionalism and expertise will be a great asset in her new role. District office staff are excited to start working with her towards the end of the summer.

Shirley will replace Brenda Johnson, who will be retiring at the end of the current school year. Brenda, who's been with the district since 1988, had worked as a classroom teacher, program support teacher and instructional coach before transitioning to the district office herself a few years ago. YK1 wishes Brenda all the best in retirement and thanks her for over 30 years of dedicated service to the school district.
